A quorum being present, Mayor Bresett called the meeting to order at 9:00 am.

Mayor Bresett gave updates on the new lot development, water line upgrade, fuel upgrade, golf course, new air conditioning for the hall, rink, basketball courts, and the lower mill rate for 2022.

A vote by show of hands was taken on the need for a low level boat launch. The result was a strong majority in favor. The council will look into.

Discussion was held on the volunteer fire department. Regan Darby was nominated and elected new Volunteer Fire Chief.

Administration was asked to be timelier when posting meetings on the website.

It was suggested that the Village send out a welcome back/newsletter every spring. This newsletter should also be posted on the community bulletin board.

Administration should find out who would like their notices mailed out instead of having them emailed.
