### SILENT AUCTION

We will be having another silent auction the night of the supper/dance and are again asking for community support in providing items. It was a tremendous success last year and the club is very appreciative of all the donations we received. As noted; fundraising, golf fees and tournaments are required to maintain the golf course and the equipment associated with it. Any items towards golf tournament prizes are welcomed as well.

We will be raffling off a Traeger Grill this year – tickets will be available mid May
