Dear Swift Sanitary Service Customer of Beaver Flat,

We hope you are all well. It has been a trying time for everyone and it has definitely been a hard year for us so far. We started out the year on vacation and amidst it, we had a devastating fire at our business and lost our shop and 3 trucks. Due to the dedication of our staff, we were up and running the very next day with the units that we still had and we hardly skipped a beat. It has been a long, frustrating journey, but we are happy to say that we are in our new shop and have replaced 2 of the 3 trucks. We are ready for the busy season ahead and hope that we can all stay safe through the COVID-19 crisis.

Now that summer is almost here, please see a few reminders for the upcoming summer season:

We are in your area for *water and septic* services every Wednesday, rain or shine!
Please notify us before Tuesday @ 5:00 pm for either service.

Bookings can be made on our website @ www.swiftsanitaryservice.ca ,
or by phone @ 306.773.4490 or 1.855.773.4490

Septic & water prices are the same - \$0.12/ gallon, with a minimum charge of \$48.00
All water is potable, hauled from the City of Swift Current.

****Any week with a Statutory holiday – bookings will be done on a first come, first serve basis.****

Payments can be made at your Financial Institution, or by cheque.
Etransfers and credit cards are not accepted.

We request that ALL residents clearly AND permanently mark your septic tank and cistern, even if we have serviced you before. If your tanks are not clearly marked, then services may not be provided until they are marked, and we may not be responsible for costs incurred if there is an error.

Invoices can be emailed. Please contact our office if you would like to sign up for this service.

We look forward to servicing you in the upcoming year.

If you have any questions, we'd love to hear from you! Have a safe & fun summer!

Regards,

Len & Shari Ries/ Owners
