

May 24th, 2022

I can't believe it's already nearing the end of May – the sunshine sure feels like summer out there today 😊 We are ready for summer and we hope you are too!

We have been remained busy throughout the winter and have had some staff changes:

- Tim is still our Assistant Manager & has been with us for nearly 10 years!
- Paul has been with us for 3 ½ years.
- We have 2 new staff – Peter & Glen. If you see them, please give them a warm welcome!
- Ed will also continue for his 5th summer as a part-timer, delivering water.

We have a few friendly reminders, so that we can help make your summer as stress free as possible:

- We are currently at Beaver Flats on Wednesdays for septic and water services.
- Advance notice is required with the cut off times being Tuesday @ 5:00.
- Please remember that any week with a Statutory holiday, it is first come first serve and the cut off day is one day prior & the scheduled service day is subject to change.

We are very busy in the summer and we have a lot of different areas that we serve, so we hope that by calling in advance, we can guarantee service & you can avoid an emergency trip, as this is costly and we are not always available.

Bookings can be made on our website @ www.swiftsanitaryservice.ca , or by phone @ 306.773.4490.

We are fairly new to Social media, but please check us out on Facebook or Instagram. We'd love to have some feedback from you. Beefs & Bouquets are both welcomed.

For more information on our Schedule, please go to our website @ www.swiftsanitaryservice.ca or phone 1.306.773.4490 (landline, so please don't text 😊)

Thank you for your continued support. We appreciate you all. Have a fantastic summer!
